Notes / Notas

- Each day opens with a session of Oral Presentations (Lectures II: 10 min + 3 min), followed by the Plenary Lectures I. Plenary lectures run 20 min + 3 min, except Session 4 on Day 1 (28 min + 3 min), Session 7 on Day 2 (27 min + 3 min) and Session 8 on Day 2 (30 min + 3 min). The two lectures of Prof. Ivanita Stefanon on Day 1, the lecture of Prof. Naranjan S. Dhalla that closes the plenary block of Day 1 and the lecture of Prof. José Geraldo Mill that opens the plenary block of Day 2 run 30 min + 3 min.
- Twenty-five Plenary Lectures I (14 on Day 1, 11 on Day 2) and fourteen Oral Presentations (seven on each day), totalling 39 presentations. Presentations are numbered independently on each day — 1 to 21 on Day 1 and 1 to 18 on Day 2. Both days run from 8:00 a.m. to 7:00 p.m.
- Lunch lasts two hours on both days (Day 1: 12:00 p.m.–2:00 p.m.; Day 2: 11:56 a.m.–1:56 p.m.). The Business Meeting of the South American Section is held during the lunch period on Day 1 and the General Assembly during the lunch period on Day 2, in both cases in the auditorium of AMES. The Awards Ceremony closes the congress on Day 2, coordinated by Prof. Naranjan S. Dhalla, with eleven IACS awards presented.
- This programme consolidates every speaker and title listed in the source files. Titles duplicated across files were merged into a single entry.
- Speakers with more than one presentation are never scheduled in consecutive slots. Prof. Ivanita Stefanon (Day 1, presentations 1 and 14), Prof. Elmiro Santos Resende (Day 1, presentations 16 and 19) and Prof. Enrique Castañeda Saldaña (Day 2, presentations 10, 16 and 18) are separated by other speakers.
- The three lectures on medical education by Prof. Enrique Castañeda Saldaña are given in Sessions 6 and 8 on Day 2, never in consecutive slots.
- Each session has a Chair (international), a Co-chair (Brazilian) and two discussants (one international and one Brazilian). Every registered participant appears in the programme — as a speaker, chair, co-chair, discussant or on the congress coordination and secretariat.
- The morning lecture block on Day 2 closes with a 13-minute joint discussion before lunch. The morning break on Day 1 runs 27 minutes so that lunch begins at noon; all other breaks run 15 minutes.

Speakers, chairs, co-chairs and discussants of the scientific programme, in alphabetical order. Award recipients are listed in the Awards Ceremony.
